Here's how it works

- ✓ You love saving with King Price, so you tell your friends about us.
- ✓ They're keen to learn more, so you contact us on 0860 50 50 50 or [click here](#).
- ✓ We call your friend to do a quick quote, and they join our royal family.
- ✓ Your friend pays their first full premium (successfully) and 30 days later (we use this time to sort out admin stuff) we credit your King Price policy.
- ✓ That's it! You're on a roll, so keep referring and earning! **#SideHustle**

It pays to have friends
(literally).
