We're not just an insurance company. We're a world-class team rewriting the rules, 1 happy client at a time.

Quick payouts? Here's how fast we put the 'royal' in service:

Decreasing premiums

HUUUUUGE savings. Tiny premiums.

OSTI report

We've got a **5%** overturn ratio... Which means we get it right **95%** of the time. The ombudsman for short-term insurance keeps the whole industry in check, making sure clients are treated fairly.

Customer is king. That's not fake news. That's a promise.

Collecting NPS

Your voice is heard loud and clear, with every review on Hellopeter contributing to our NPS.

NPS explained

The NPS ranges from -100 to +100, and here's the royal decree on what it means:

- Less than 0: Time to improve and win back trust.
- Between 0 and 49: Good, but we strive for greatness.
- Between 50 and 69: Excellent, our clients feel like royalty.
- 70 and over: World-class loyalty, the kingdom rejoices!

Calculating NPS

Simple: Hellopeter poses a question via email, and the client's response shows the likelihood of them recommending our services.

Some say it's the best service in the history of insurance. We don't disagree.
